A commitment as a Health Sciences Publisher

- ✓ A commitment that brings revolution in Health Science Education
- ✓ A commitment where excellence will be the benchmark
- ✓ A commitment where brilliance will be the fundament
- ✓ A commitment where knowledge and excellence co-exist, bringing enriched content on the paper
- ✓ A commitment to usher the concepts of learning with competency
- ✓ A commitment to transform convoluted Health Science content into a fascinating experience
- ✓ A commitment to build conscious medical human capital par excellence

Medical & Allied Health Sciences Publishing Program as Authors

Why choose us?

CBSPD - Dedicated to Education offers:

- Cutting edge publishing program to unleash your ideation
- A podium to National and International markets
- A publishing platform where knowledge meets innovations
- Exceptional blend of print and digital books- **Hybrid edition**
- Significant presence among Student community
- Publisher of choice with student friendly books
- Robust Social media presence

**Seventh
Edition**

Medical Pharmacology

Based as per latest Competency Based Undergraduate Curriculum for the Indian Medical Graduate prescribed by Medical Council of India (now structured as National Medical Commission).

Author: **Padmaja Udaykumar**

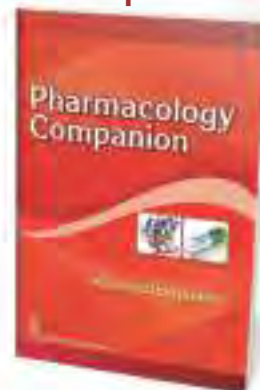

ISBN: 9788194708285

Edition: Seventh | Year: 2022

Pages: 792

₹995/-

**Pharmacology
Companion**

Author: **Padmaja Udaykumar**

9788123928951, 1/e, 2016 (Rep.)

₹335/-

Key Features

New features, flowcharts, and diagrams, added to explain the recent concepts

Thoroughly revised, recast, and enlarged to accommodate the latest curriculum prescribed by MCI

New topics prescribed under the CBME guidelines have been added under relevant sections

Flowcharts for every important mechanism of action

Key Boxes made more functional and useful to the reader

Text revision and enlargements based on reviews and comments by super specialists and **subject experts**

Student-friendly format followed

Text and tables focus on **clinical relevance**

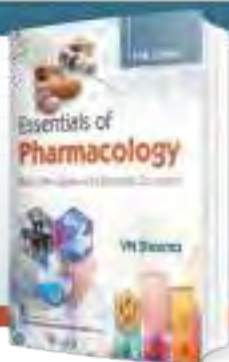

Many mnemonics added throughout the book help memorizing

COMPARE AND CONTRAST series makes the textbook complete in giving an analytic edge

Salient Features

- Text revision and enlargements based on reviews and comments by super specialists and subject experts
- Every chapter begins with the competency achievements and includes:
 - More than 20 Flowcharts
 - More than 130 Tables
 - More than 15 Boxes
 - More than 35 Compare & Contrast
- New Chapters added are :
 - ✓ National Health Programs
 - ✓ Occupational and environmental poisoning
 - ✓ Dietary Supplements
 - ✓ Nutraceuticals

Essentials of Pharmacology

Basic Principles and General Concepts

Author: **VN Sharma**

Fifth Edition

ISBN: 9789354662270

Edition: Fifth | Year: 2022

Pages: 856

₹895/-

What's New

- **Two chapter added** to further strengthen the scope of the book
1. Pharmacovigilance 2. Stem cells
- **New three appendices added** which comprise of:
Overviews of Pharmionics, Pharmacoepidemiology and Pharmacoeconomics

Salient Features

Text is organized in a sequence that builds new information on the information already assimilated

Each chapter begins with **list of contents** at a glance and ends with study questions as well as references for further reading

A step by step, **easy to grasp approach** has been followed to understand explanation for the scientific basis of drug therapy

Intended primarily for the 2nd year **Medical Undergraduates** and also useful to **Pharmacy and Dental students**

First Edition

Authors:

**Snighda Misra, Bhabagrahi Rath
Rajesh Kumar Suman**

Case-Based Learning in Pharmacology

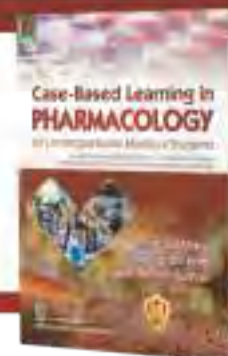

for Undergraduate Medical Students

ISBN: 9789354662966

Edition: First | Year: 2024

Pages: 320

₹450/-

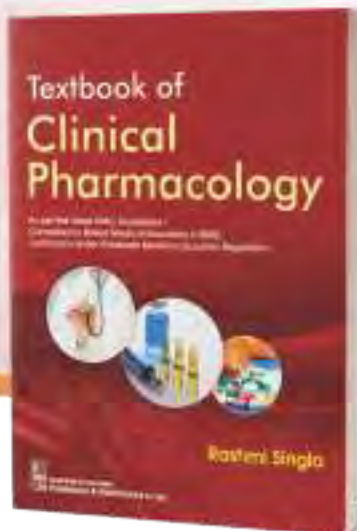

About the Book

- Undergraduate medical education has now become competency based, which means that it has become more practical, clinical application based and outcome oriented. Hence, the teaching-learning methods have undergone a sea-change from the conventional era.

Salient Features

- Case-Based Learning in Pharmacology attempts to cater to the changing needs of the students in this CBME era.
- The text is designed as per CBME Guidelines
- Basic and Applied both concepts are integrated with the help of real case scenario
- This resource is presented in Why's and How's approach for the students and the teachers both for better understanding
- This book is helpful to the Undergraduate, Postgraduate students & teaching faculty

for Undergraduate Students

As per the latest NMC Guidelines | Competency Based Medical Education (CBME)
Curriculum under Graduate Medical Education Regulation

**Fourth
Edition**

ISBN: 9788197982255 | Edition: Fourth | Year: 2025 | Pages: 1104

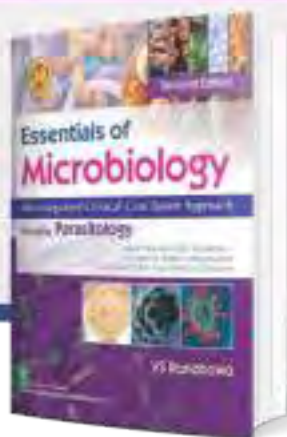

₹1595/-

What's New

- Entire text is divided into three parts and eleven sections
 - Part I covers General Microbiology
 - Part II covers Systemic Microbiology
 - Part III covers Entomology
- MCQs are divided in three groups:
 - Chapter wise MCQs given at the end of every chapter
 - Section wise MCQs & Image based MCQs are given separately

Following new topics/chapters are added in this book

- SARS CoV-2 (COVID-2019) including its variants and vaccines
- Automated culture methods
- Comments in question bank
- Precipitating factors of bacterial/viral/fungal/parasitic infections
- Laboratory acquired infections
- Monkey pox outbreak 2022
- A/H3N2 seasonal flu 2023
- Chandipura virus encephalitis.
- National Health Programme and pandemic management
- Visit to Microbiology department
- IMG, AETCOM and competencies in Microbiology as per revised CBME curriculum

Essentials of Microbiology

An Integrated Clinical Case Based Approach
including **Parasitology**

As per the latest CBME Guidelines | Competency Based
Undergraduate Curriculum for the Indian Medical Graduate

**Second
Edition**

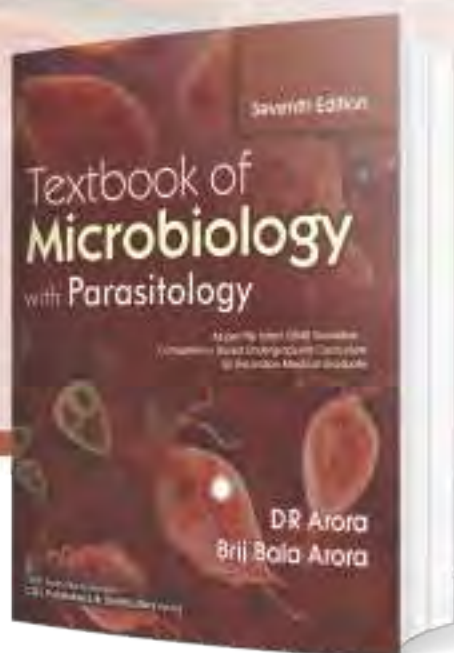

Author: **VS Randhawa**

ISBN: 9789354665974 | Edition: Second | Year: 2024 | Pages: 888

₹1495/-

What's New

- More than 55 bacterial and fungal, 25 viral and 23 parasitic based integrated clinical-based cases in a systematic Q-A based format for clear understanding
- More than 33 general microbiology/infection control and pandemic management and 15 immunology-based clinical vignettes, clinical cases presented
- Sections dealing with DNA and RNA viral infections have exclusive tabulated and referenced chapters on clinical profile and laboratory diagnosis of such infections.
- The book also includes:
 - An exclusive section on pandemic management. Two AETCOM scenarios with reference to microbiology
- All sections have assessment/examination questions including MCQs with answers and references

**Seventh
Edition**

Textbook of **Microbiology** with **Parasitology**

As per the latest CBME Guidelines | Competency Based
Undergraduate Curriculum for the Indian Medical Graduate

Author: **DR Arora | Brij Bala Arora**

ISBN: 9789354665622 | Edition: Seventh | Year: 2024 | Pages: 836

₹1495/-

Salient Features

This edition features **incorporation of parasitology**, which has been deftly included to add value to the book

New illustrations have been added at various places for in-depth comprehension of the topics

Description of **clinical case-based exercises**, **monkeypox** and **SARS-CoV-2** virus has been added

The **competencies** expected from the students after reading various chapters have been **outlined** in the beginning of the chapters

For **quick review and recapitulation** **key points** and **multiple choice questions with answers** have been added at the end of each chapter to help the students perform better in the examination

Salient Features

- The text has been thoroughly revised as per the Competency Based Undergraduate Curriculum for the Indian Medical Graduate
- For the ease of learning and teaching traditional organism-based subject, brief description has been retained
- **Fully illustrated with colour and computer-drawn diagrams, clinical photographs** and photomicrographs

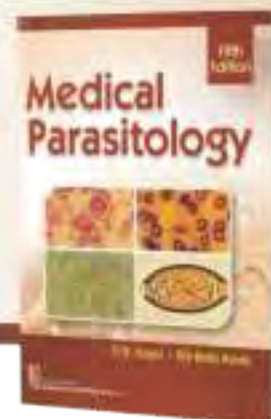

for better understanding of the biology of microorganisms

- Unnecessary details of various parasites have been excluded.
- This obviates the reading of a separate book on parasitology
- The text is presented in a simple and lucid manner

Fifth
EditionISBN: 9789386827555
Edition: Fifth | Year: 2018
Pages: 296

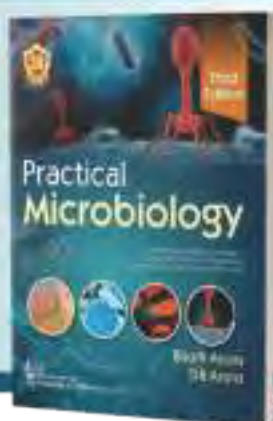

₹650/-

Medical Parasitology

Authors: **DR Arora | Brij Bala Arora**

Salient Features

- Classification of parasites and treatment of parasitic infections have been updated
- New **Multiple Choice Questions** (MCQs) have been added
- **New parasitic figures** have been added
- Clear, colored and comprehensible diagrams are given throughout the text
- Pictures of cross and histopathological sections are also given
- Includes well-illustrated life cycles and pathologic lesions
- Diagrammatic representation of relative sizes and morphology of protozoa and helmentic eggs at the end provides good visual impact for subject understanding

ISBN : 9788197982262 | Pages : 1636 ₹2295/-

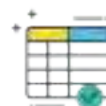

Systemic Pathology & Molecular Diagnostics

ISBN : 9788197982224 | Pages : 1496 ₹2295/-

Highlights

High resolution
1901 coloured figures

1719 tables complementing the
clear concise text

Salient Features

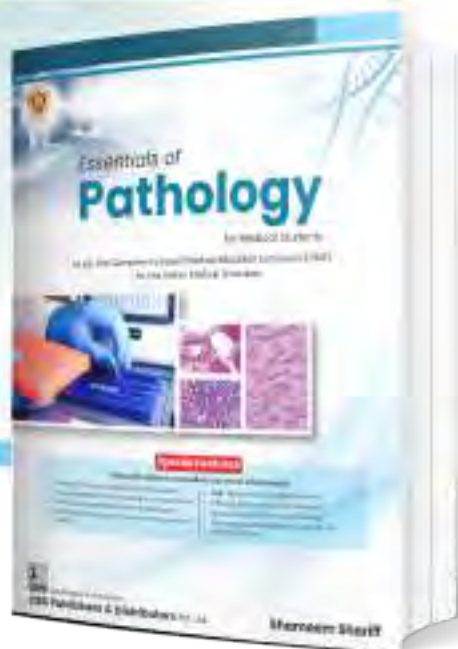

- All the chapters have been thoroughly rewritten **as per CBME Guidelines**
- Revised **WHO classification** of solid neoplasms and hematolymphoid malignancies is given in this textbook
- Chapters on "Cellular-Molecular Diagnostic Techniques in Clinical Practice" and "Blood Banking and Transfusion Practices".
- **Recent concepts** in cellular biology with key points of the disorders are given in boxes in the chapters
- Immunohistochemistry of surgical specimens and

immunophenotyping of hematolymphoid neoplasms have been given in tabulated forms.

- Textbook has clinical photographs, schematic illustrations, flow diagrams, gross morphologic and microscopic photographs of surgical specimens, and photographs of peripheral blood smear, bone marrow aspirate smear and bone marrow trephine biopsy section to understand clinicopathologic correlation of human disorders and diagnostic approach

About the book

Second Edition Textbook of Pathology has three section; General pathology, hematology, systemic pathology and molecular diagnostics. It provides comprehensive coverage of etiology, molecular pathogenesis of the disorders, clinical manifestations, clinic-pathological correlation and diagnostic approach.

**First
Edition**

Essentials of Pathology

*As per the latest CBME Guidelines | Competency Based
Undergraduate Curriculum for the Indian Medical Graduate*

Author: **Shameem Shariff**

ISBN: 9789394525214 | Edition: First | Year: 2023 | Pages: 696

₹1095/-

This book “Essentials of Pathology” by Shameem Shariff” is intended for:

- The undergraduate medical student and is based on the competencies expected from a Pathology student, by the IMC.
- Based on the revised curriculum intended to make a medical graduate cope with competency in the cognitive, psychomotor and affective domains to meet all health requirements of the community in India.
- The book has **40** chapters, divided on the basis of syllabus outlined by the **National Medical Council**.
- At the end of each chapter, **clinical problem** based on CBME pattern and other questions are given to test the student's insight into pathology.
- Also includes **short essay questions, short answer questions as well as multiple choice questions**
- Sample '**clinical charts**', important aspects of 'instruments' and 'drawing slides (photomicrographs)' have been presented and highlighted

Salient Features

Covers **general pathology, systemic pathology** and **haematology** as per the IMC curriculum and syllabus.

Clear and lucid text for the undergraduates with illustrations

Aims at providing core matter for average student in easy language and other “nice to know matter” for the above average students

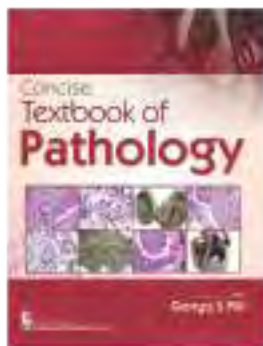

RGUHS type questions as well as **MCQs, & ‘Match the following’**.

Applied pathology

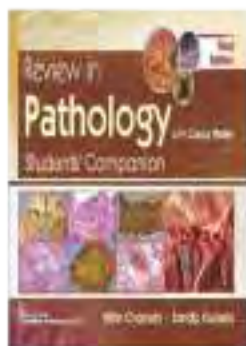

Clinical charts, instrument usage, and features of photo-micrographs as required by the RGUHS University

**Eighth
Edition**

Textbook of Community Medicine

Preventive and Social Medicine

*As per the latest CBME Guidelines /
Competency Based Undergraduate
Curriculum for the Indian Medical Graduate*

Authors: **Sunder Lal, Adarsh, Pankaj**

ISBN: 9789354666070 | Edition : Eighth | Year : 2023 | Pages : 808

₹1395/-

What's New in this Edition

Presents **20 thoroughly revised and updated** chapters

Includes **107 core competencies** with special emphasis on **18 skill-based competencies**

Various **case studies** in almost all the chapters **enriches the learning of various competencies** in live situations

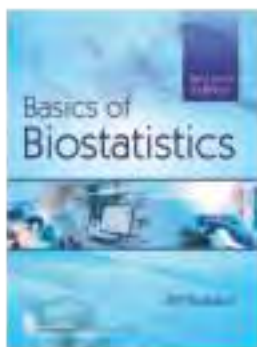

Salient Features of the Eight Edition

- Chapters Divided into Two parts: Part I and Part II: The **part I** covers basic sciences related to community medicine while **part II** covers applied sciences relevant to subject includes epidemiology of communicable and non-communicable diseases, national health programmes, health management
- Part I** covers the chapters 1 to 7 and 9 and forms part of theory paper one. **Part II** covers chapters 8 and 10 to 20 and forms part of theory paper two
- Includes a **chapter on recent advances** in community medicine which incorporates various public health acts as we; as Covid pandemic
- All these chapters focus on '**community as patient**', **community diagnosis** and **community therapy**. Whole of the Government and whole of the society approach, leaving no one behind is the emphasis in all the revised chapters
- The eighth edition also incorporates attitude, ethics, and communication (**AETCOM**) **skills (soft skills)** to be integrated into undergraduate curriculum
- The language of the text is very easy to understand and flow of information is logically sequenced.
- Covers all the important aspects of public health which are mentioned in the **revised UG curriculum**
- The healthcare of the community as well as health planning and management and international health have been described keeping in view the various developments in the country like **National Health Mission, Ayushman Bharat** and **International health regulations**.
- The text also includes chapter on Natural disasters. Included are chapters on elderly and mental challenges have been described in detail with national and international relevance

UPSC EXAMINATION

CBS Combined Medical Services UPSC Examination

Edited by: **MS Bhatia**

ISBN: 9789354663031 | Edition: Seventeenth | Year: 2022 | Pages: 1020

**Seventeenth
Edition**

₹1495/-

CBS Sushrutha Series

Competency Based Questions and Answers in Microbiology

for Second MBBS Professional Examination

Compiled and designed as per CBME Guidelines | Competency Based Undergraduate Curriculum for the Indian Medical Graduate

ISBN: 9789354660542

Edition : First | Year : 2023 | Pages : 324

₹895/-

Sushrutha Academy

Authors : **Pooja Rao**
Sevitha Bhat | Avinash G

Salient Features

- Questions and MCQs are prepared as per CBME guidelines
- Answers have been adequately supported with **numerous diagrams, flowcharts and tables**
- Includes traditional **92 unstructured long essays & modified structured long essays , case-based questions, 221 short essays, 216 short answers, 355 MCQs** of various types and one-mark questions in the form of 'fill in the blanks'

Competency Based Questions and Answers in Pathology

for Second MBBS Professional Examination

Compiled and designed as per CBME Guidelines | Competency Based Undergraduate Curriculum for the Indian Medical Graduate

ISBN: 9789354663055

Edition : First | Year : 2023 | Pages : 544

₹1095/-

Sushrutha Academy

Authors: **Vardendra Kulkarni**
Soumya BM

Salient Features

- Question–Answer format makes it reader–friendly
- Questions have been categorized into **113 long essays, 361 short essays, and 556 short answers** with appropriate marks weightage
- Both traditional and structured long essays have been covered
- Questions are based on higher order cognition such as reasoning ability, analysis, and interpretation
- Interpretation of patient data and image–based questioning
- Questions pertaining to small group discussion (SGD) and DOAP topics are also addressed
- Answers are brief, structured with bulleted points, and can be easily assimilated, remembered and reproduced
- **Line diagram, tables, flowcharts and algorithms** add value to the answers
- Specially **hand-drawn and easily reproducible microscopic images** have been introduced
- **573 MCQs** based on case scenarios are arranged according to competencies
- **Fill in the blanks** questions cater to high–yield points for quick revision

CBS E-Books

Powered by

EduPort Global

your knowledge partner

Dedicated online (e-books) platform for **Students, Educators, Professionals, Researchers & Librarians** covering complete Health Sciences segments – Medical, Dental, Nursing and Allied. With amalgamation of more than 1500+ e-books, this platform has a wealth of digital content published from its own flagship titles and publishing partners across the globe.

Features

- Dedicated and secured access through IP
- Unlimited downloads
- Available in Android and iOS version
- Personalized bookmarks, highlighters and notes
- Crystal clear photographs and illustrations
- Completely searchable content
- Remote access facility
- 24x7 access available
