<i>Preface</i>	v
<i>Introduction</i>	ix
Agriculture Economics	ix
Nature of Agricultural Economics	ix
Subject Matter or Scope/ Fields of Agricultural Economics	xi
Importance of Agriculture in Economic Development	xi

Section A MICROECONOMICS

1. Economics and Agricultural Economics	3
1.1 Definitions of Economics	4
1.2 Scope or Subject Matter of Economics	8
1.3 Nature of Economics	12
1.4 Limitations of Economics	14
1.5 Importance of Economics	14
1.6 Economic Theory	15
1.7 Economic Model/Laws/Method	16
1.8 Method of Economic Model	18
2. Consumer Decision Theory	21
Utility Analysis	21
2.1 Cardinal Approach of Consumer Behaviour/Decision/Equilibrium	22

2.2	Assumptions/Conditions under which Consumer takes Decision/Choice	22
2.3	Concept and Relationship of Utility	24
2.4	Features or Characteristics of Utility	24
2.5	Difference and Relation between Total Utility and Marginal Utility	25
2.6	Significance of Difference in TU and MU	26
2.7	Laws of Utility	27
2.8	Consumer Equilibrium/Decision/Choice/Behaviour Theory	31
2.9	Consumer behaviour theory-II or Consumer Decision/Choice/Equilibrium Theory-II or Ind Logical Theory of Demand or Ordinal Analysis or Hicks Approach (1939) or Indifference Curve Analysis	38
2.10	Assumptions/Conditions of Ordinal Theory	39
2.11	Indifference Curves	41
2.12	Properties/Features of Indifference Curve	42
2.13	The Budget Constraint of the Consumer (Price Line/ Income Line/Budget Line)	46
2.14	Properties of Budget Line	47
2.15	Conditions for Consumer Equilibrium/Decision/ Choice	51
3.	Consumer's Surplus	53
3.1	Measurement of Consumer Surplus	54
4.	Demand	57
4.1	Elements of Demand	57
4.2	Type of Demand	59
4.3	Demand Function	62
4.4	Law of Demand (Movement Along with a Demand Curve)	65
4.5	Assumptions/Conditions of the Demand	66
4.6	Explanation of the Law of Demand	66
4.7	Why the demand curve is downward slope? or What are the reasons for law of demand application? or Why does the law of demand apply?	67

4.8	Difference between Inferior Goods and Giffin Goods	69
4.9	(Why the Demand Curve Positive Sloped) or Why the Law of Demand Fails	70
4.10	Shift in Demand Curve	71
4.11	Causes of Increase in Demand or Rightward Shift in Demand Curve	72
4.12	Causes of Decrease in Demand or (Leftward Shift in Demand Curve)	72
4.13	Difference Between Increase in Demand and Decrease in Demand	73
4.14	Difference Between Increase in Demand and Expansion in Demand	73
4.15	Difference between decrease in demand and contraction of demand	74
4.16	Elasticity of Demand	74
4.17	Comparison between Law of Demand and Elasticity of Demand	75
4.18	Type/Degree of Price Elasticity of Demand	78
4.19	Method of Price Elasticity of Demand	80
4.20	Factors Affecting Price Elasticity of Demand	90
4.21	Income Elasticity of Demand	90
4.22	Degree/Type of Income Elasticity of Demand	91
4.23	Cross Elasticity of Demand	93
4.24	Kind/Degree/Type of Cross Elasticity of Demand	93
5.	Supply	97
	Definition of Supply	97
5.1	Difference between Supply and Stock	97
5.2	Supply Function	98
5.3	The Law of Supply	99
5.4	Change in Supply	102
5.5	Price Elasticity of Supply	106
5.6	Factors Affecting Price Elasticity of Supply	107
5.7	Measurement of Price Elasticity of Supply	108

Section B

MACRO AND DEVELOPMENT ECONOMICS

6. National Income	115
6.1 Type of GDP	116
6.2 Product Method or Value Added Method	117
6.3 Income Method	122
6.4 Expenditure Method	125
6.5 Concept Related to Output and Income of a Country	127
Related Aggregates	129
7. Inflation	131
7.1 Desirable Rate of Inflation	132
7.2 Method of Measuring Inflation	134
7.3 Type of Inflation	138
7.4 Causes and Effect of Inflation	142
7.5 Effects of Inflation	144
7.6 Measures to Control Inflation	144
8. Basic Concepts of Economic Growth and Development	147
8.1 Economic Growth	148
8.2 Type of Growth	149
8.3 Features of Economic Growth	151
8.4 Economic Development	152
8.5 Characteristics of Economic Development	153
8.6 Determinants of Economic Development	155
8.7 Underdeveloped Economy— Meaning and Characteristics	157
8.8 Meaning of Underdeveloped Countries (UDCs)	158
