From CBSPD
A commitment as a Health Sciences Publisher

- A commitment that brings revolution in Health Science Education
- A commitment where excellence will be the benchmark
- A commitment where brilliance will be the fundament
- A commitment where knowledge and excellence co-exist, bringing enriched content on the paper
- A commitment to usher the concepts of learning with competency
- A commitment to transform convulated Health Science content into a fascinating experience
- A commitment to build conscious medical human capital par excellence

CBSPD

Be a Part of India's Premium
Medical & Allied Health Sciences Publishing Program as Authors

Why choose us?

CBSPD - Dedicated to Education offers:

- Cutting edge publishing program to unleash your ideation
- A podium to National and International markets
- A publishing platform where knowledge meets innovations
- Exceptional blend of print and digital books- Hybrid edition
- Significant presence among Student community
- Publisher of choice with student friendly books
- Robust Social media presence

Share your Proposals with Y N Arjuna (Sr. Vice President, Publishing, Editorial & Publicity) at publishing@cbspd.com or WhatsAPP at 95997 79677

Master your concepts

Your ultimate virtual learning companion!

e-CBSPD App aims to cater to all the students from various educational segments and backgrounds with complementary digital content as supplement to print editions. The digital content is available in the form of the videos , image banks, 3D images and animated videos.
It contains with the ancillary material uploaded for free access by the registered customers. Most of the Medical UG and Technical books are augmented with online availability of valuable reference material, available through scratch code in the print editions.

What's New in this 11th Edition

- Entire text has been **thoroughly revised and updated in conformity with the international scientific literature**
- **Atlas: Visual Anatomy Guide** has been provided in each volume to cover the regions discussed
- **Many important illustrations** have been redrawn and refinished to suit the new learning-teaching trends
- **Anatomical Reasoning Questions** given at the end of each chapter

Prices are subject to change without prior notice, For latest prices visit our website: www.cbspd.com

Competency-Based BD Chaurasia's Human Anatomy,11/e

Key Features of the Book

Preferred Textbook across India and Beyond with unparalleled quality content

Easily reproducible line diagrams recreated from **hand -drawn diagrams of Dr BD Chaurasia**

Flowcharts to help rapid revision and memorizing facts

3D color illustrated plates to aid the understanding of anatomical structures & their relationships

Simple line diagrams for easy reproduction during exams

Boxes on ossification, dissection and **Facts to Remember**

Tables provide summary of essential facts for clear understanding and retention

QR codes for eSmart Quiz–lead the reader to the online MCQ test of each chapter for self evaluation

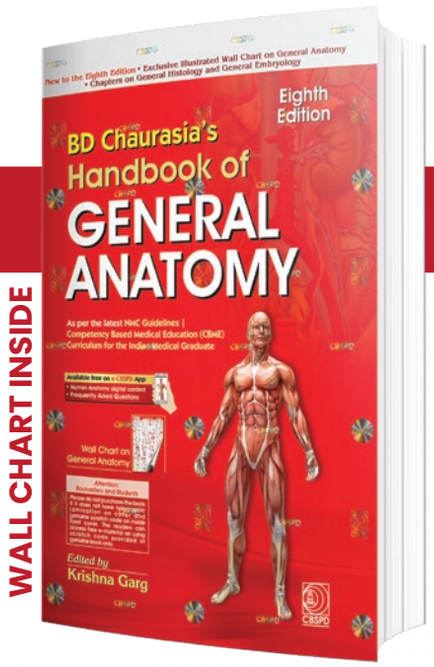

This edition is supplemented with Free workbooks with Mind Maps for all 4 Vols.

- **Clinicoanatomical problems** for early clinical exposure and vertical integration
- **MCQs through QR codes** to reinforce understanding and develop analytical skills
- **Spotters and Question Bank** to familiarize students with examination format
- **Practice figures** to improve performance during examination
- **Mind Maps in anatomy** for rapid revision of essential topics

e-CBSPD

Available for free on the e-CBSPD APP :

- Additional topics and Clinical Aspects
- Viva-Voce questions and Topics for further reading
- Videos of osteology and soft parts and chapter-wise self-assessment MCQ test
- Access to abridged Atlas of Human Anatomy for stunning view of the anatomical features
- Original hand drawn diagrams of First edition (Vols. 1-3) by Dr BD Chaurasia

WALL CHART INSIDE

BD Chaurasia's Handbook of General Anatomy

8th EDITION

Compiled and designed as per **CBME Guidelines** | Competency Based Undergraduate Curriculum for the Indian Medical Graduate

Editor: Krishna Garg

ISBN : 9788169030489
Edition : Eighth | Year : 2027
Pages : 512 + Wall Chart

Price ₹475

e-CBSPD

Available for Free on the **e-CBSPD App**
- Human Anatomy digital content
- Frequently asked questions

New To This Edition

Two New Chapters: General Histology and General Embryology have been added

Free with this book: An illustrated wall chart depicting components of General Anatomy

Salient Features of the Book

Each chapter begins with a **quotation** giving subtle meaning to the topic

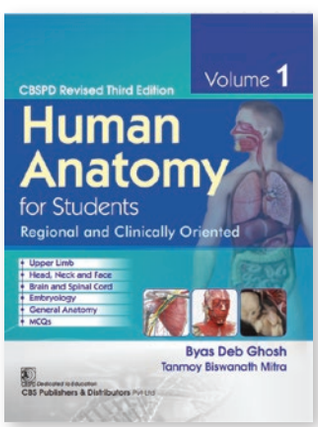

All the chapters have been **extensively illustrated** with four color diagrams

Multiple choice questions at the end of each chapter added to help students in self evaluation

Points to remember given at the end of each chapter to help the students for quick revision of the topic

- Seven core chapters: Respiratory System, Digestive System, Special Senses, Endocrine System, Urinary System, Reproductive Systems, Cadaver as Our First Teacher to provide a bird's eye view of the whole of general and systemic anatomy.
- Anatomical Terms and Historical Names makes a rich and interesting source of information which is basic to the study of medicine.
- Additional Reading is a great resource for further study and research work.

Key Features of the Second Edition

Simple and Concise text with functional correlation for quick recapitulation during examination (horizontal integration).

Color atlas with 3D illustrations provides easy imagining of anatomical structures.

NExT, MCQs, Viva Voce questions, Spotters and Clinical fact markings for preparation of various upcoming academic entrance examinations.

Interesting facts to isolate them from the main text so that these facts should not be missed and ease the burden of study during revision.

Flowcharts for ease of revision

Boxes provide focus on important topics.

Simple line diagrams which are easy to draw in theory examination.

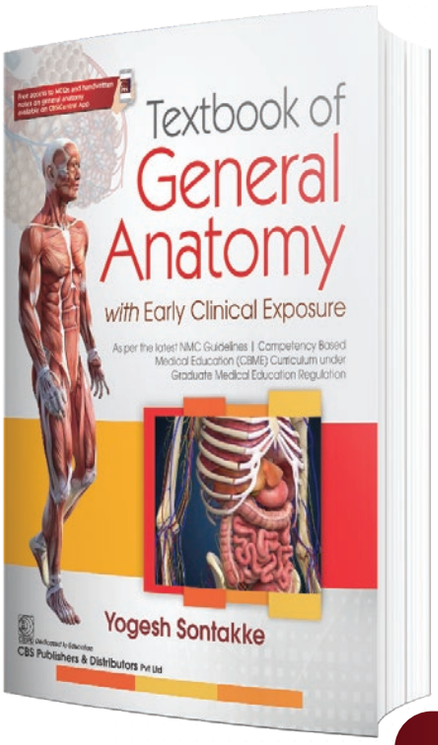

QR codes for eSmartQuiz for online MCQ tests for self-assessment.

e-CBSPD

Available for Free on the **e-CBSPD App**

- Chapter-wise Hand-written notes
- Diagram videos – Animated videos for learning "how to draw line diagrams"
- Self-assessment MCQ tests.

Free Workbooks for practice figures to aid in preparing students for academic examinations.

1ST EDITION

Textbook of General Anatomy

with Early Clinical Exposure

As per the latest NMC Guidelines | Competency Based Medical Education (CBME) Curriculum under Graduate Medical Education Regulation

Author(s) : Sampath Madhyastha | M Chakrapani

Free Access to digital content on the e-CBSPD App Includes:
- **Videos on Human Anatomy**

e-CBSPD

Salient Features of the Second Edition

- **Complete coverage** of General Anatomy, Gross Anatomy, Osteology, Histology, Embryology and Genetics in three volumes
- **Nearly 1500 high quality-coloured illustrations,** including 2-dimensional images for understanding the anatomy
- **Simple line diagrams** to enable presentation of topics/answers in structured subjective examinations
- **High quality of photo-micrograph of histology slides** are supplemented by schematic illustrations
- **Clinical correlations** of the anatomical region being highlighted in green boxes to correlate the anatomy with its clinical applications
- **Nearly 220 appropriate case scenarios** included to facilitate self-study and discussion
- Just before the exam, **adequate tabulations, Flowcharts, Mnemonics** empower the students to excel in their exams
- A comprehensive compilation of **potential theory exam questions,** a curated list of likely OSPE/spotter questions for practicals, and concise identification notes for histology spotters—all designed to streamline exam preparation
- **Microscopic anatomy descriptions** matching with function (physiology) and biochemistry for integration of basic medical sciences
- **More than 1000 high yield,** application based multiple-choice questions **(MCQs)** for preparation of competitive postgraduate entrance tests and USMLE Step I examination

Dissection Steps | **Gross and Applied Anatomy** | **173 Clinical Discussions** | **MCQs**

About the Book

The Third Edition of the book presents a complete revision of the previous editions in terms of content update and illustrations in entirety. The aim of this edition is to present human anatomy in the most simplified manner. Unique combination of literature, dissection guidance, diagrams, MCQs, clinical notes, and mnemonics makes it a comprehensive gross anatomy manual.

What's New in this Edition?

CONTENT REVISIONS
- Complete revision of literature and diagrams.
- Long chapters split into smaller, reader-friendly sections.
- Separate chapters for specific topics like:
  - o Muscles of mastication
  - o Parasympathetic ganglia of the head region
  - o Tonsil

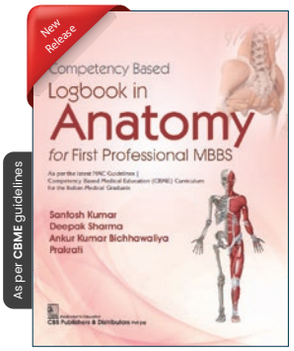

UNIQUE VISUAL LEARNING AIDS
- All diagrams redrawn for clarity.
- Each dissection step supported by a dedicated line diagram.
- Dissection procedures described after full literature on the organ/region, following the principle: "eyes cannot see what the mind does not know."

TARGET AUDIENCE
- Undergraduate medical students to prepare simultaneously for postgraduate exams in India and abroad.

SELF-EVALUATION RESOURCES
- MCQs added at the end of every chapter.
- Surface markings included for all regions.
- Clinical discussions added to each section, aligned with National Medical Commission recommendations.
- Mnemonics provided to simplify memorization of complex facts.

6th EDITION

ISBN : 9789354665707
Edition : Sixth | **Year :** 2024
Pages : 324

Price ₹695

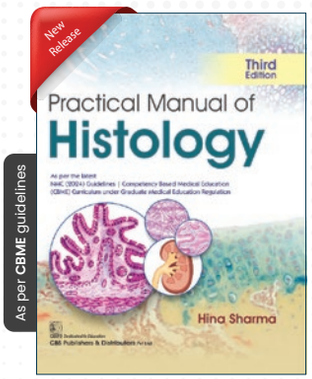

Salient Features of the Sixth Edition

- The text has been thoroughly **revised and updated**
- **Functional and applied aspects** have been **elaborated**
- **Brief electron microscopic descriptions** of parts of the cell, connective tissue, bone cells, nerve cells are given according to the competencies
- A **new chapter "Key to identification of histological Slides",** has been added to identify the slides properly
- All the **photomicrographs** are of human tissues which clearly depict the features seen in human tissues
- **Number of viva voce questions** have been added and MCQs in every chapter with their answers at the end of the book
- The book chiefly provides the **"must know"** content of human histology, which forms the backbone of histopathology
- The book aims to serve as a valuable textbook for undergraduate students of **Medical, Dental & Ayush**
- Also **helpful** to BSc & MSc students of Anatomy

NEW EDITION

e-CBSPD

Free Access to Additional Study Material available on **e-CBSPD** App through scratch code

A concise yet complete, based on **Compentency Based Medical Curriculum (CBME 2024)**

Distinctive Features of this New Edition

Before the Exam Box: Each chapter begins with a concise overview of essential concepts and high-yield applications, crucial for exam preparation.

Learning Objectives: Clearly articulated objectives outline the key concepts and skills students are expected to master from each chapter.

Exam Boxes: Significant and clinically pertinent topics are distilled into brief, easily reviewable units. This book features over 500 such Exam Boxes.

Clinical Links, Notes, and Anchors: More than 500 clinical boxes establish connections between physiological principles, pathophysiology, disease presentation, and clinical interpretation.

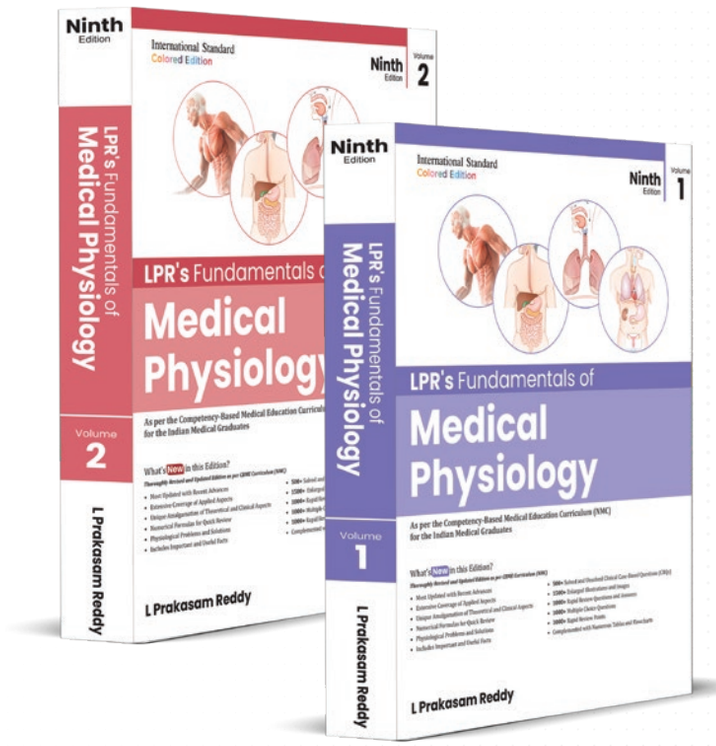

Special Notes: Over 300 special notes emphasize crucial facts and concepts that students should not overlook.

Latest Concept Boxes: More than 250 boxes underscore recent advancements in physiological concepts, clinical applications, and current medical practice.

Common Exam Traps: More than 1,100 commonly confused concepts, frequent errors, and examination pitfalls are explained together with their correct interpretation.

Self-Assessment Questions with Answers: Chapter-end questions, accompanied by answers, allow students to test understanding and reinforce key concepts.

Early Clinical Exposure: All NMC-mandated early clinical exposure topics are presented in a dedicated section to strengthen the clinical application of first-year physiology.

Medical Physiology

2 VOL. SET

As per the latest CBME Guidelines | Competency Based Undergraduate Curriculum for the Indian Medical Graduate (IMG)

Author: L Prakasam Reddy

SET ISBN: 9789394525344 | Edition : Ninth | Year : 2025
Pages : 1404 (Vol I. and Vol II.)

Price ₹1995

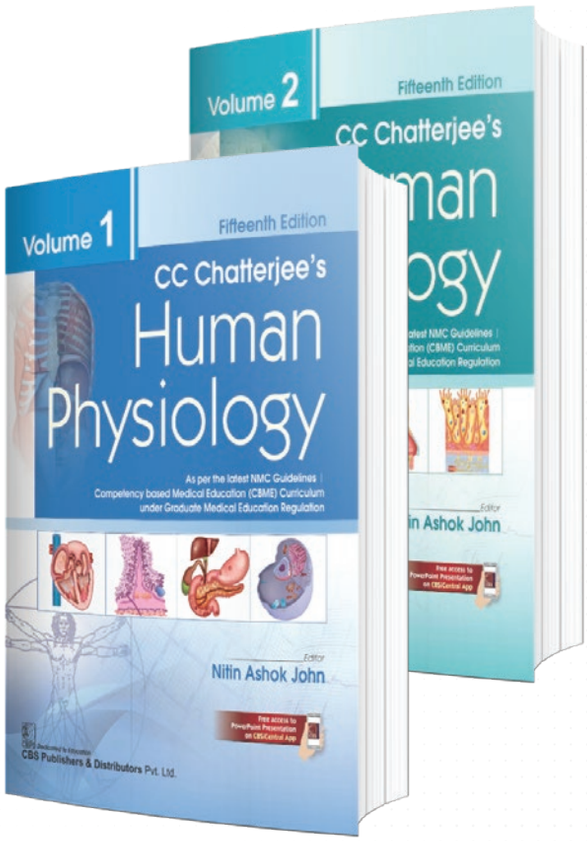

Key Features of the Ninth Edition

- **1500+** Colorful hand-drawn illustrations and images relevant to the topics
- **500+** Solved and Unsolved Clinical Case Based Questions
- Extensive Coverage of **Applied Aspects**
- Important **Recall Boxes & Notes**
- **1000+** Rapid Review Questions
- **1000+** Rapid Review Points
- Numerical Formulas for **Quick Review**
- **Unique amalgamation of** theoretical and clinical aspects
- **1000+** Multiple Choice Questions with Answers
- Complemented with numerous **Tables and Flowcharts**
- **Physiological Problems** with Solutions

Salient Features of the Ninth Edition

- This **Ninth edition** of LPR's Fundamentals of Medical Physiology is duly updated with all the **latest concepts of physiology.**
- Each chapter begins with **competency numbers** which are categorized as must know topics for the students.
- **Clinical correlation** of a topics are added to clinical situation, and its physiological bases.
- **Recent concepts** are simplified, added and are made student friendly for quick learning.
- **Self-assessment review exercises** with a variety of questions like Essay Type, Short Note, Analytical Questions, Case Based Questions, Multiple Choice Questions have been added in the respective sections.

15th EDITION

CC Chatterjee's

Human Physiology

2 VOL. SET

As per the latest **CBME Guidelines** | Competency Based Undergraduate Curriculum for the Indian Medical Graduate (IMG)

Editor : Nitin Ashok John

Free access to PowerPoint Presentation on the **e-cbspd** App

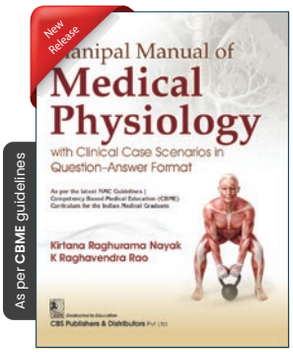

e-CBSPD

Volume I
ISBN: 9789354669934 |
Year : 2025 | Pages : 564
Price ₹1095

Volume II
ISBN: 9789354669590 |
Year : 2025 | Pages : 530
Price ₹1095

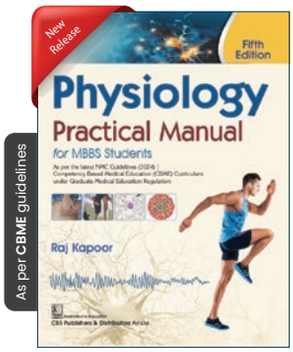

Salient Features of the Fifteenth Edition

- **The Text Material** has been simplified to be **easily comprehended**
- Topics have been **updated for quick understanding and recap**
- **Questions and answers for viva voce exams and theory exams** have been included
- **Exam-oriented questions** have been updated
- **Historical features and scientific findings** have been depicted in the text appropriately
- Covers **comprehensive** applied and **comparative** physiology
- Serves as a **valuable resource for university exams and job interviews**
- Provides **complete integrative physiology with clinical orientation** apart from horizontal integration
- Includes **clinical case scenarios and recent advances**
- Designed for **NEET PG, ExiT Exams, USMLE and PLAB UK**

Competency-Based

Textbook of

Biochemistry

with Clinical Approach and Case Studies for MBBS Students

As per the latest CBME Guidelines | Competency Based Undergraduate Curriculum for the Indian Medical Graduate (IMG)

Author : Poonam Agrawal

ISBN: 9789349881082 | Year : 2023 | Pages : 712

Price ₹1495

FREE Companion workbook Included

1st EDITION

FREE access to additional study material available on the **e-CBSPD** App

Key Features of the First Edition

Each chapter begins with **Competency achievement** for biochemistry, Specific Learning objectives and ends with key points

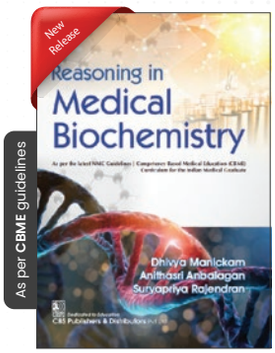

Adequate number of **Clinical scenarios** with their biochemical basis

A separate chapter on commonly used **Laboratory instruments and equipment** to upgrade the practical aspect

Text highlighted in yellow color provides important information of the topic under focus given as **Notes**

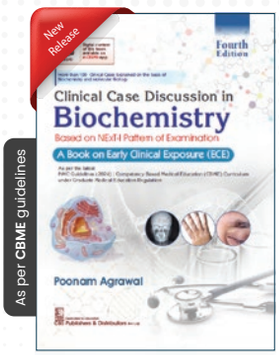

Exhaustive question bank includes **LAQs, SAQs and MCQs** with detailed explanations

Glossary at the end provided to understand the complex terminologies of the subject

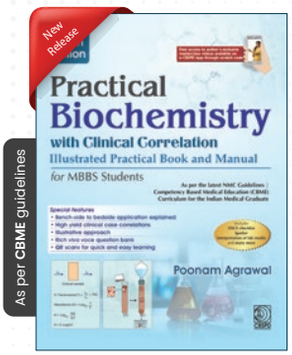

Reasoning in Medical Biochemistry
Manickam D, Anbalagan A, *et.al.*
9789347186936, 1/e, 2026

Free Mind Maps in Biochemistry included

Biochemistry

7th EDITION

As per the latest NMC Guidelines | Competency Based Medical Education (CBME) **Curriculum (2024)** under Graduate Medical Education Regulation

with Free Wall Chart

Author(s) : U Satyanarayana , U Chakrapani

ISBN: 9788198953803 | Year : 2026
Pages : 856pp + 16pp (Mind Maps)

Free access to **Digital Content** on the **e-cbspd App.**

Price ₹1850

New to this **meticulously crafted Seventh edition –** Revised as per the **NMC–CBME Curriculum, 2024**

- **1300+** MCQs
- Curiosity Corners
- **800+** *Viva-voce* and Short Answer Questions
- **100+** Clinical Case Studies
- Clinical Applications

Reviewed and contributed by eminent faculty of different medical institutions

Mind Maps in Biochemistry with Clinical Correlation added to help the reader learn, remember and recall the crucial information with ease

New Chapters like **AETCOM (Attitude, Ethics and Communication), and AI (Artificial Intelligence)** added, along with several other chapters aligned with the latest CBME competencies with code numbers

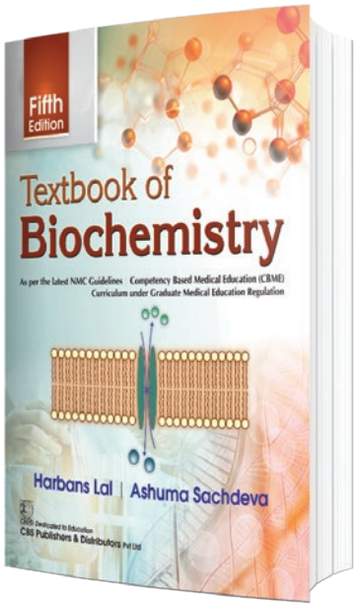

The hallmark features that make this a standout volume!

The only book by an Indian Author with color tracking of biochemical reactions

- Written in Simple Language and Lucid Style
- Pictures/Images
- Early Clinical Exposure
- Common Confusables
- Structured Long Essays
- Medical Concepts
- Practical Biochemistry
- Origins of Biochemical Words
- Clinical Cases with Reasoning Questions

Features of **Mind Maps in Biochemistry** with clinical correlation

- The first book amongst the medical books to introduce a novel and unique concept of mind maps.
- Mind Maps are displayed in the form of tables, figures, pictures and images
- Mind Maps clarify biochemical concepts and their clinical relevance
- Designed for a rapid review , retention and retrieval of the most important clinically-oriented concepts in biochemistry
- Presents clinical aspects related to enzymes, vitamins, metabolisms, minerals, hormones, organ functions, acid-base balance , nutrition, etc.
- Provides information on the laboratory tests, screening techniques done for the diagnosis and prognosis of diseases
- Addition of relevant pictures & images leave an everlasting impression on the readers' mind
- Offers consolidated information on biochemistry essentially required in good clinical practice

5th EDITION

Textbook of Biochemistry

As per the latest **CBME Guidelines** | Competency Based Undergraduate Curriculum for the Indian Medical Graduate

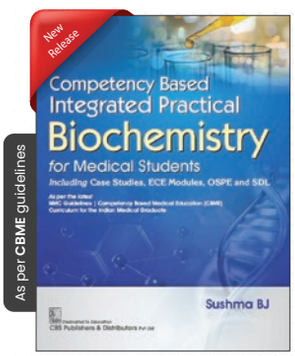

Author(s): Harbans Lal, Ashuma Sachdeva

ISBN: 9788197989056 | Year : 2024 | Pages : 480

Price ₹1095

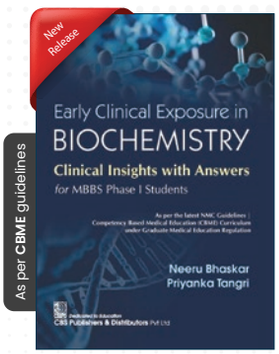

Highlights of the Fifth Edition

- Emphasis has been laid on learning applied biochemistry in the form of **"Chemistry to Clinics"**
- Written in simple, precise, relevant, easy to understand and lucid manner to grasp the basics of the subject
- This edition intends to convey the knowledge of time-old principles, **supplemented with modern developments in biochemistry**
- Several **New Tables and Figures** have been included for complete understanding of the subject.
- **Long questions, Short questions and Multiple choice questions (MCQs) added at the end of each chapter** to enable the students to test their knowledge for the various competitive examinations.

NEW 9th EDITION

Textbook of

Community Medicine

Preventive and Social Medicine

As per the latest CBME (2024) Guidelines and revised **Family Adoption Program (FAP)**

ISBN: 9788169559164 | Year : 2027 | Pages : 824

Author(s): Sunder Lal, Adarsh , Pankaj

Price ₹1595

What's New in the Ninth Edition

Presents **20 thoroughly rewritten, revised and updated** chapters

Includes **136 core competencies** with special emphasis on **45 skill-based competencies**

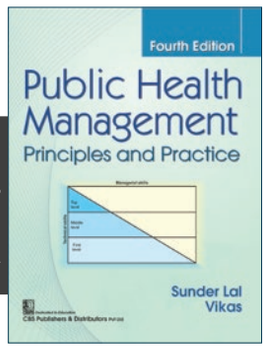

Incorporates attitude, ethics, and communication **(AETCOM)** skills along with the methods of their acquisition

Various **case studies** in almost all the chapters **enriches the learning of various competencies** in live situations

Salient Features of the Ninth Edition

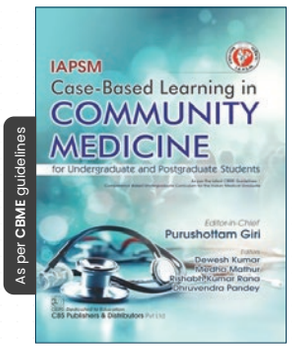

- Chapters Divided into two parts: **Part I** and **Part II** : The **Part I** covers basic sciences related to community medicine while **Part II** covers applied sciences relevent to subject includes epidemiology of communicable and non-communicable diseases, national health programmes, health management
- **Part I** covers the chapters 1 to 9 and forms part of theory paper one. **Part II** covers chapters 10 to 20 and forms part of theory paper two
- Includes a **chapter on recent advances** in community medicine which incorporates various public health acts as we; as Covid pandemic
- All the chapters focus on **'community as patient', community diagnosis** and **community therapy.** Whole of the Government and whole of the society approach, leaving no one behind is the emphasis in all the revised chapters
- The language of the text is very easy to understand and flow of information is logically sequenced.
- Covers all the important aspects of public health which are mentioned in the **revised UG curriculum**
- The healthcare of the community as well as health planning and management and international health have been described, keeping in view the various developments in the country like **National Health Mission, Ayushman Bharat and International health regulations.**
- The text also includes chapter on Natural disasters. Included are chapters on elderly and mental challenges, described in detail with **national and international** relevance

Trusted Resources for Medical Mastery

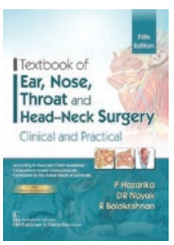

2nd, 3rd & Final Year MBBS Students

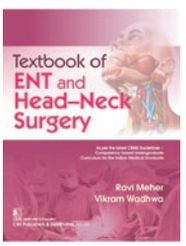

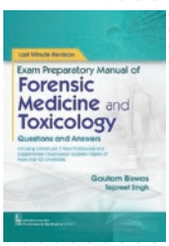

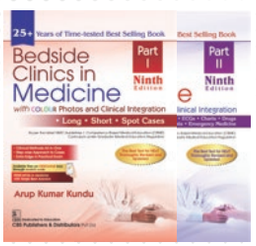

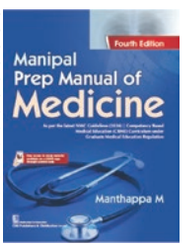

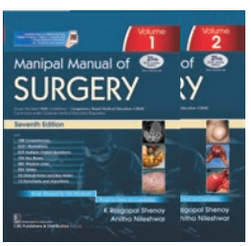

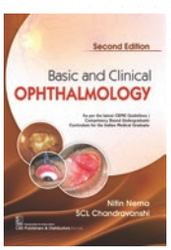

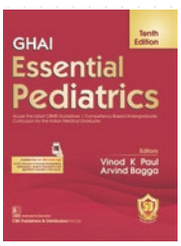

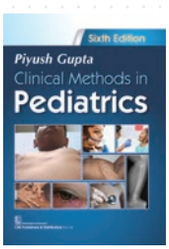

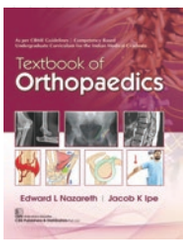

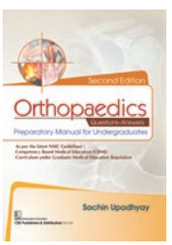

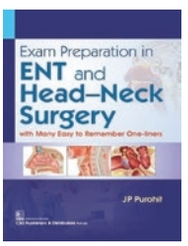

EduPort Global

your knowledge partner

A Dedicated online (e-books) platform for Students, Educators, Professionals, Researchers & Librarians covering complete Health Sciences segments – Medical, Dental, Nursing and Allied.
With amalgamation of more than 1500+ e-books, this platform has a wealth of digital content published from its own flagship titles and publishing partners across the globe.

Dedicated e-Books Platform for CREATION & DISTRIBUTION

of digital content in

- Medical
- Nursing
- Dental
- Pharmacy
- Science & Technology
- Allied Health Science
- Vet sciences and Agriculture

Your virtual knowledge partner for perpetual entry

Connect with your library for complete details.

3500+ e-Textbook | *Remote access facility* | *Multi-User Access & Easy Navigation* | *Smart Reading Tools* | *24x7 Access* | *Offline Reading & Accessibility*

Seamless Institutional Access

- Open:https://eduportglobal.com/home
- IP Authentication: Institution name will appear in the top right corner, confirming your access.
- Click on any book.
- Start reading instantly.
- Works best on campus network / institutional Wi-Fi.
- No personal login required for basic reading access.

For Personalized Access (Login Required)

- To access advanced features, Log in with your username & password.
- Contact your librarian for credentials.
- Remote access to view digital books outside the library.
- Bookmarks to save precise location to return later.
- Highlights to mark important text and notes.
- Personal reading history to keep a list of every book you open over time.

Key Features

- Unlimited download & access through IP.
- Personalized bookmarks, highlighter's an notes facility.
- Completely searchable.
- Access through Tab (androids), ipad's as well.
- Download encrypted e-Books securely and read anytime without internet.
- Text-to-Speech support on iOS for accessible and flexible learning.
