

Table of Contents

Preface

Chapter 1 Introduction to Clinical Pharmacy

1.1 Introduction.....	1
1.2 Aim of Clinical Pharmacy.....	2
1.3 Basic components of Clinical Pharmacy.....	2
1.4 Objectives of Clinical Pharmacy.....	3
1.5 Scope of Clinical Pharmacy.....	4
1.6 Role of Clinical Pharmacy services.....	6
Review Questions.....	8

Chapter 2 Basic concepts of Pharmacotherapy

2.1 Introduction.....	9
2.2 Clinical Pharmacokinetics.....	10
2.3 Individualization of Drug therapy.....	12
2.4 Special precautions in drug usage during infancy and in the elderly (pediatrics and Geriatrics).....	14
2.5 Drug usage in pregnancy and lactation.....	16
2.6 Drug reactions.....	20
2.7 Drug interactions.....	24
2.8 Interpretation of clinical Laboratory tests.....	25
Review Questions.....	30

Chapter 3 Disorders of Organ systems and their Management

Part A Cardiovascular diseases

3.1 Hypertension.....	33
3.2 Congestive heart failure.....	39
3.3 Angina.....	42
3.4 Acute myocardial Infarction.....	51
3.5 Cardiac Arrhythmias.....	57

Part B CNS Disorders

3.6 Epilepsy.....	63
3.7 Parkinsonism.....	68
3.8 Schizophrenia depression.....	73
Review Questions.....	76

Chapter 4 Respiratory Diseases and Gastrointestinal Disorders

Part A Respiratory Disorders

4.1 Asthama.....	79
------------------	----

Part B Gastrointestinal Disorders

4.2 Peptic ulcer.....	90
4.3 Ulcerative Colitis.....	96
4.4 Hepatitis.....	102
4.5 Cirrhosis	111
Review questions.....	118

Chapter 5

Part A Endocrine Disorders

5.1 Diabetes Mellitus.....	119
5.2 Thyroid Disorders.....	133

Part B Infectious Diseases

5.3 Tuberculosis.....	143
5.4 Urinary tract infection.....	153
5.5 Enteric infections.....	157
Review questions.....	173

Chapter 6

Part A Hematopoietic Disorders

6.1 Anemia.....	175
-----------------	-----

Part B Joint and connective tissue disorders

6.2 Rheumatic Disorders.....	181
6.3 Hyperuricemia.....	184
6.4 Gout.....	187

Part C Neoplastic diseases

6.5 Acute Leukemias.....	194
6.6 HodgKin's disease.....	206
Review questions.....	215

Chapter 7 Therapeutic Drug Monitoring(TDM)

7.1 Introduction.....	217
7.2 Criteria for Therapeutic Drug Monitoring.....	218
7.3 Considerations for TDM.....	221
7.4 TDM: Therapeutic and Toxic range.....	222
Review questions	223

Chapter 8 Concept of Essential and Rational drug use

8.1 Introduction.....	225
8.2 The problem of irrational use of drugs.....	227
8.3 Assessing the problem of Irrational use.....	227
8.4 Quantitative Methods.....	228
8.5 Qualitative Methods.....	230
8.6 Selected WHO/INRUD drug use indicators(WHO, 1993).....	230
8.7 Overview of intervention strategies.....	231
8.8 WHO/INRUD 12 core interventions to promote more rational use of drugs	232
Review questions.....	241
References and Bibliography.....	242
