

# Multiple Choice Questions and *Viva Voce* in Human Histology

Exam-oriented, Model-based *Viva Voce* Questions

is written in a simple language to fulfil the requirements of undergraduate and postgraduate students for preparation of notified tests, formative assessments, internal and university examinations, NEET/NExT, NBE, DM/MCh entrance examinations, USMLE, GRE and other similar entrance examinations.

## Salient Features of the book

### 1. *Viva Voce* Section

- **780** plus *Viva Voce* questions to revise the subject.
- Includes highlights of the essential topics of histology with functional correlation.
- **Special topics** such as cell, cell surface projections and cell junctions, microscope, histological techniques, glands, tooth, salivary glands, placenta, umbilical cord, uterine cervix, eye and ear are included to emphasise on their need as per preparation of NExT examination.

### 2. MCQs Section

- Over **880** single-response style questions to cover the entire subject.
- Over **100** image-based questions to match with the current examination pattern.
- Questions are oriented on functional correlation of histological structures. Questions are divided chapter-wise for alignment with CBME curriculum.

### 3. Access to Digital Content

The free access to "*Learn Histology*" at CBSiCentral app which includes:

- Online MCQs tests
- **100** plus histology drawing videos
- Hand-written notes of histology
- QR codes for eSmartQuiz – Online MCQ test of each chapter for self-assessment.

## Ujwala Bhanarkar MBBS, MD (Anatomy)

is currently Assistant Professor, Department of Anatomy, All India Institute of Medical Sciences (AIIMS), Kalyani, West Bengal. She is known for her passionate teaching and dedication to the field. She is author of *Multiple Choice Questions and Viva Voce in Human Embryology*, and *Companion Workbook for Human Histology*. She has created well admired Digital Anatomy content.

## Yogesh Sontakke MBBS, MD (Anatomy)

is currently Additional Professor, Department of Anatomy, Jawaharlal Institute of Postgraduate Medical Education & Research (JIPMER), Puducherry, an Institution of National Importance under the Ministry of Health & Family Welfare, Government of India. He is a compassionate teacher and admired by the students for chalk-n-board teaching. His constant perseverance, dedication and passion towards the field of teaching is reflected in his well-read books: *Textbook of Human Embryology 2/e*, *Textbook of Human Histology 2/e*, *Textbook of Human Anatomy Vols 1 to 6*, *Principles of Clinical Genetics*, *Principles of Histological Techniques*, *Immunohistochemistry and Microscopy*, and *Principles of Scientific Writing*.

# Foreword

It is my great pleasure to introduce *Multiple Choice Questions and Viva Voce in Human Histology* book penned by Dr Ujwala Bhanarkar and Dr Yogesh Ashok Sontakke. This book effectively reflects their academic efforts, covering the latest Competency based Undergraduate Curriculum (CBME) topics for Indian Medical Graduate. The book is a comprehensive guide for establishing a foundation in histology and revising the subject in a structured and systematic way.

Each chapter in the book is divided into two sections. The first section contains *viva voce* questions, which are designed to test the students' ability to apply their knowledge to real-world scenarios. The *viva voce* questions are an excellent way for students to practice their communication skills and prepare for examinations where they may need to answer questions in a spoken format. The second section contains multiple-choice questions (MCQs) that cover all the important topics in human histology. The MCQs are designed to test the students' knowledge and understanding of the subject, and will help them identify areas where they need to focus their attention.

The authors have explained the subject in a simple language, making it suitable for quick recall. The *viva-voce* questions cum summary includes highlights of the essential topics of histology. More than 880 single-response-style questions will be helpful to test the knowledge and mastery of the subject, and more than 100 image-based questions fulfill the requirement for the current examination pattern of various undergraduate and postgraduate academic and entrance examinations.

The book is supported by the digital content *Learn Histology* through the cell-phone application. Students have free access to a wealth of resources, including online MCQ tests, 100 plus histology drawing videos, and hand-written notes on histology. This not only allows students to study anytime, anywhere, but also helps them go paperless.

I believe that this book will prove to be priceless for both histology students and teachers. I extend my best wishes to the authors for the success of this book and their future endeavors.

**Dr Biswabina Ray** MBBS MS (Anatomy)  
Dean (Research) and  
Professor and Head, Department of Anatomy  
All India Institute of Medical Sciences (AIIMS)  
Kalyani, West Bengal

# Preface

The book *Multiple Choice Questions and Viva Voce in Human Histology* is written to fulfill the requirements of the students as per the latest Competency based Undergraduate Curriculum for Indian Medical Graduates. It covers all the aspects of human histology.

The features of this book include:

- 880 plus single-response-style questions to cover the entire subject.
- 100 plus image-based questions to match the current examination pattern.
- 780 plus *viva voce* questions to revise the subject.
- **Special topics** such as cell, cell surface projections and cell junctions, microscope, histological techniques, glands, tooth, salivary glands, placenta, umbilical cord, uterine cervix, eye, and ear are included to emphasize their need as per preparation of NExT examination.
- Questions are oriented on functional correlation of histological structures. Questions are divided chapter-wise for alignment with CBME curriculum.

- **Digital Contents:**

The free access to **Learn Histology** at CBSiCentral app includes:

- Online MCQs tests
- 100 plus histology drawing videos
- Hand-written notes of histology
- This will be helpful for students to go paperless.

This book will help the students in revising and memorizing the subject and for developing confidence. It will also be helpful for teachers in planning classes, generating assignments for students, and designing the question papers.

Any suggestions from the readers are welcome.

**Ujwala Bhanarkar**  
**Yogesh Ashok Sontakke**

# Acknowledgments

Every creation in this world is a product of collaboration and not the result of a single individual's effort, including this book. I would like to take the opportunity to endowment their most sincere appreciation and thoughtful gratitude to those who extend their time, help, effort, suggestion, pieces of advice and valuable assistance in the completion of this book. First of all, I thank Almighty for this gift of life, blessing of guidance and the divine intervention of the academic endeavor. I will keep on trusting you for my future.

I am thankful to Professor Dr Ramji Singh, Executive Director, All India Institute of Medical Sciences (AIIMS), Kalyani, West Bengal, for steadfast support without failing and generous assistance. I am extremely thankful to Professor Dr Biswabina Ray, Dean Research and Head of the Department, Anatomy, AIIMS, Kalyani, and Professor Dr Suma HY, Head of the Department, Anatomy, JIPMER, Puducherry, for inspiring and giving valuable recommendations for the improvement of this book.

I would like to acknowledge the extraordinary debt I owe to my co-author Dr Yogesh Sontakke, Additional Professor, JIPMER, Pondicherry who had told me such wise things about writing over the years. I would not be able to get my work done without his relentless encouragement, patient guidance, and valuable supervision at any stage of this book. Thank you for being instrumental in the successful completion of this book.

I am thankful for the acceptability of views and support of Mr SK Jain (CMD) and Mr Varun Jain (Director), CBS Publishers & Distributors Pvt Ltd. I am highly obliged for continuous support from Mr YN Arjuna (Senior Vice-President—Publishing, Editorial and Publicity) and his entire team, especially Ms Ritu Chawla (GM—Production), Mr Neeraj Prasad (graphic artist), and Mrs Jyoti Kaur (DTP operator). I appreciate the entire team of CBS Publishers & Distributors Pvt Ltd in the shaping of this book.

I owe an immeasurable appreciation and deepest gratitude to my husband Mahesh Gajbhiye and son Advay who have boosted me up morally with their unconditional love and continuous support.

I thank all supporters who made this possible. Your prayer for me was what sustained me this far.

**Ujwala Bhanarkar**

# eSmartQuiz – Online MCQ Test

## Are you ready for the “eSmartQuiz – Online MCQ test”?

Students after attending the class, need to go through the “eSmartQuiz – Online MCQ test” for the following reasons:

- ✓ Reinforcement of Learning: The “eSmartQuiz – Online MCQ test” provide an opportunity to reinforce learning after attending a class or reading a book. It helps to assess understanding and retention of concepts, to solidify knowledge and identify areas that need further revision or clarification.
- ✓ Assessment of Comprehension: The “eSmartQuiz – Online MCQ test” is an effective tool to assess comprehension of the subject matter and to demonstrate the ability to apply the concepts learned in the class.
- ✓ Enhancement of attention and critical thinking: The “eSmartQuiz – Online MCQ test” will help to make students attentive for the class and to enhance critical thinking skills by selecting the most appropriate answer among the given options.

Each eSmartQuiz test consists of 10 MCQs, mostly image-based, and the student can see their scores at the end of each test. We are modifying these questions after a certain interval. Use the given link or scan the QR code for the test. One student can solve each test only one time.
