Fifth Edition

Textbook of Biochemistry

As per the latest **CBME Guidelines** /
Competency Based Undergraduate
Curriculum for the Indian Medical Graduate

Authors: **Harbans Lal, Ashuma Sachdeva**

ISBN: 9788197989056 | Edition : Fifth | Year : 2024 | Pages : 480

₹1095/-

Highlights of the Fifth Edition

- Emphasis has been laid on learning applied biochemistry in the form of **"Chemistry to Clinics"**
- Written in simple, precise, relevant, easy to understand and lucid manner to grasp the basics of the subject
- This edition intends to convey the knowledge of time-old principles, **supplemented with modern developments in biochemistry**
- Several **new tables and figures** have been included for complete understanding of the subject.
- **Long questions, short questions and multiple choice questions (MCQs) added at the end of each chapter** to enable the students to test their knowledge and prepare themselves for the various competitive examinations.

Features of **Mind Maps in Biochemistry** with clinical correlation

- The first book amongst the medical books to introduce a novel and unique concept of mind maps.
- Mind Maps are displayed in the form of tables, figures, pictures and images
- Mind Maps clarify biochemical concepts and their clinical relevance
- Designed for a rapid review, retention and retrieval of the most important clinically-oriented concepts in biochemistry
- Presents clinical aspects related to enzymes, vitamins, metabolisms, minerals, hormones, organ functions, acid-base balance, nutrition, etc.
- Provides information on the laboratory tests, screening techniques done for the diagnosis and prognosis of diseases
- Addition of relevant pictures & images leave an everlasting impression on the readers' mind
- Offers consolidated information on biochemistry essentially required in good clinical practice

Salient Features of the First Edition

Covers all the competency
prescribed for biochemistry in
CBME curriculum

A separate chapter on
commonly used **Laboratory
instruments and equipment** to
upgrade the practical aspect

Adequate number of
Clinical scenarios with their
biochemical basis

Text highlighted in yellow color
provides important information
of the topic under focus given
as **Notes**

Each chapter begins
with **Competency
achievement** for
biochemistry, Specific
Learning objectives and
ends with key points

Key points
are given at the
end of chapter
to revise the
primary
concepts

Glossary at the end provided

Powered by

EduPort Global

your knowledge partner

A Dedicated online (e-books) platform for **Students, Educators, Professionals, Researchers & Librarians** covering complete Health Sciences segments – Medical, Dental, Nursing and Allied.

With amalgamation of more than 1500+ e-books, this platform has a wealth of digital content published from its own flagship titles and publishing partners across the globe.

Features

- 24*7 Access, Personalized Bookmarks, Highlights and Notes facilities available
- Subscription/Perpetual Purchase Model available
- Multi-user concurrent access model
- Completely searchable with rich text, tables and high quality images
- Offline reading facility available in encrypted format (Via easily downloadable iPublish Central Reader App)
- User friendly e-books portal available for subscribers to easily access and manage the purchased/subscribed e-books
- Text to speech (TTS) facility available for all IOS users
