WHAT THE STUDENT
SAYS ABOUT THE BOOK

One of the best books I have come across. The concepts are explained in detail with the help of proper tables and diagrams. I have been using it for a year now, and the content is organized systematically, making it easy to understand. The language is simple and clear. Thank you for providing this valuable source of information.

WHAT THE STUDENT
SAYS ABOUT THE BOOK
★★★★★

The Anatomy and Physiology Nursing book from CBS Publishers is highly recommended for its thorough coverage and user-friendly approach. It simplifies complex concepts with detailed diagrams and practical examples, making it indispensable for nursing students seeking a solid foundation in understanding the human body's intricacies.

WHAT THE STUDENT SAYS ABOUT THE BOOK

Hlo, I am Gaurav kumar, a student ambassador of NNL since 2020. I am very thankful to NNL as i have received "Understanding the pathophysiology of disease". I just get shocked to see the content provided in the book as it very unique like a "Gagar in sagar". Now i am free from burden of pathophysiology from different books.

This book is a fantastic resource for anyone studying pediatric nursing. The information is presented in a way that is easy to understand, making it a valuable tool for students. The book covers a wide range of topics related to pediatric nursing, including child development, common pediatric illnesses, and nursing interventions. The inclusion of case studies and real-life scenarios further enhances the learning experience. Overall, I highly recommend this book to anyone looking to expand their knowledge in pediatric nursing.

WHAT THE STUDENT SAYS ABOUT THE BOOK
★★★★★

This book is very useful as it contains precise knowledge and is written according to INC syllabus. It is very helpful for University examination and also for competitive exams too. In every chapter, the heading of sub topics are highlighted, which are very helpful during the time of reading. I also suggest my colleagues to bring this book nursing management.

WHAT THE STUDENT
SAYS ABOUT THE BOOK
★★★★★

One of the best option you can opt for...If you are looking for a book that explains the basics in a clear & structured manner, this is one of the best options available. The concepts are presented with remarkable clarity, making even complex topics easy to understand. What sets this book apart is its use of flowcharts & real-life examples.

I am very grateful to Target High Book which helped me a lot while preparing for exam. The content in this book is very informative along with detailed explanations, IBQs & a good amount of questions. It helped me in clearing both pre and mains exam. I studied thoroughly from starting to end, gone through all the content and solved all the questions. I am very thankful to Dr Muthu for this great book as it helped me gain clarity on important topics and subjects.

OVER 50 YEARS OF INNOVATION (Since 1973 and Still Counting)

Dedicated to **CBS Publishers & Distributors Pvt Ltd**

What started as a humble book shop, **College Book Store (CBS)** at Nai Sarak, Daryaganj, in 1973, has now evolved into a full-fledged publishing house with its presence across the globe. **CBS Publishers & Distributors** has gained a distinguished reputation for the exceptional quality of its publications with many renowned titles that have been internationally recognized and awarded. Over the years, the organization has been honored with numerous awards for its contribution to the publishing industry. **CBS Publishers & Distributors** is not resting on its laurels and is constantly striving to achieve more milestones. After successfully establishing itself in Medical & Allied Health Sciences, the organization took a step forward and conceptualized the **CBS PGMEE & Nursing Division** in 2015 as a noble endeavor aimed at partnering with medical and nursing fraternity to provide quality education. CBS further continues its legacy of innovation by entering the Digital Education with a novel edtech venture **Nursing Next Live** in 2019, followed by **PhysioNxt** in 2023. Through these digital endeavors, CBS seeks to make quality education more accessible and affordable to the students not just in India but across the world.

Celebrating its golden jubilee, CBS was honored with the “**Best Publishers of India Award**” in 2024, while its venture **Nursing Next Live** received the prestigious **ET-Now Best Education Brand 2024** Award. In the same year, CBS proudly inaugurated the **NNL Academy**—Nursing Next Live's first offline center in NOIDA, further cementing its legacy of excellence, innovation,

and commitment to empowering learners across the globe.
